# About Knowledge hub Institute

---

The Knowledge Hub Institute Limited Kenya (KHI) is a Global Institute offering training, consultancy, background checks and board services globally. Knowledge Hub Institute was founded to be a learning centre of excellence in the field of management and capacity building, promoting research, and collaborations not only in Kenya but globally.

The Knowledge Hub institute offers World-Class Industry, Corporate Training, management consultancy and business solutions. KHI has earned its space as a training & consultancy institution in every aspect of Management. Besides addressing the emerging knowledge and skills trends, The institute provides solutions to complex issues that relate to processes, people, systems and products in organizations. Embedding learning and development, consultancy and research solutions as part of your integrated business strategy will position your organization to be able to gain a competitive advantage. The institute offers demand driven solutions with a rich pool of seasoned and dynamic speakers.

## Fact Sheet

- Since its inception, KHI has embodied its mission to steer and champion excellence, competitiveness in individuals and organizations throughout the continent.
- We take pride in offering management education that is distinctive; but yet relevant and practical to an emerging Africa and the various management challenges in organizations. Our programs offer high-impact learning and provide solution that can be immediately applied in the workplace. The programs combine latest industry trends, acquisition of new career skills, professional networking, all part of the learning experience.

### VISION

---

To be a globally recognized leading provider of training and consulting services.

### MISSION

---

To design and deliver high impact development programs and a wide range of consultancy services that produce outstanding human performance in organizations.

### MANTRA

---

**Connect Learn Transform**

## Guiding Philosophy

---

- We are committed to create a strong and continuous improvement in human capital performance with your organization.
- We create a smart partnership with you to fully understand your unique business strategy, goals, needs, objectives and culture. Following that, your needs will be studied and a tailor-made program will be designed for your organization. The core aims of the training is to build and sustain the skills and behaviours that are essential to your business successes
